**AICTE/NEAT/TPO/2021-22**

To  
The Principal/Director/Vice-Chancellor  
All AICTE Affiliated Institute/University

Dear Professor,

Greetings from All India Council of Technical Education..

Hope all are safe in this pandemic situation.

We are happy to inform you that NEAT Cell, AICTE, handles the three significant initiatives called National Educational Alliance for Technology (NEAT), AICTE Internship Portal, and Enhancement in Learning with Improvement In Skills (ELIS) portal. All these initiatives are for the betterment of Students in upskilling, reskilling and enhancing their employability skills.

**NEAT** is a Public-Private partnership model between the Government of India (through its implementing agency AICTE) and the Education Technology Companies of India. AICTE is playing the role of a facilitator between Ed-Tech companies and students/youth thereby enhancing their employability skills, bridging their learning gaps (URL: <https://neat.aicte-india.org>)

Also, **AICTE internship Portal** is providing various internship opportunities for students. The registration is free of cost. Various Ministries, government department, MSME and corporates are posting their internship opportunities on this portal (URL: <https://internship.aicte-india.org>)

NEAT Cell also developed a portal called **Enhancement in Learning with Improvement In Skills (ELIS) portal** ( <http://free.aicte-india.org>). Our Team regularly working on the identification of high-quality Ed-Tech courses which are free of cost. More them 1000 courses are available on this portal.

It is noticed that institutes and students are facing challenges in identifying suitable internship opportunities. As internship is mandatory for every engineering graduate. In this regard, AICTE is extending its initiatives, resources, and facilities to support students. This will enhance the skills of students and make them industry-ready.

In this regard, we want to identify the Training & placement Officer (TPO) as a Single Point of Contact (SPoC) along with 5 Student placement coordinator from each Institute. So, it is requested to provide the contact details of your TPO and 5 Student placement coordinator in below given google form latest by 26<sup>th</sup> June 2021:

<https://forms.gle/gZJvMqzvW8zMHcKS9>

AICTE will also conduct interaction with TPOs for awareness of the NEAT scheme and AICTE internship Portal in June and July 2021.

For any other clarification, feel free to contact the following region-wise officer:
